## GERMAN COURSE

Dear German students, dear German teachers!  
Welcome to the DW-WORLD.DE interactive German Course. This online German Course is for everyone - no matter if you are just starting or already know some German. It is accessible to all and free of charge.

Course contents and course structure have been developed in accordance with the "Common European Framework" and have taken the specifications for the language proficiency levels A1 and B1 into consideration. Authentic videos, slideshows and audio texts convey a vibrant picture of life in Germany, Austria and Switzerland. Vocabulary and grammar are introduced in an activity-oriented manner and consolidated in a variety of exercises.

Before you start the course, you can determine which course start level is appropriate for you by answering a few assessment questions. The online course can also be used as a curriculum-accompanying instrument that attractively supports and complements classroom teaching. Good luck and have fun teaching and learning!

We recommend using Microsoft Internet Explorer 6.0 or higher / Firefox 1.5 or higher. This Web site is best viewed using a resolution of 1024 by 768.

## LEVEL A1-B1 Deutsch Interaktiv

Experience a new dimension of learning! Our free interactive online German course is ideal for both beginners and those who have some previous knowledge of German. The 30-part self-study course covers levels A1 and B1 of the Common European Frame of References for Languages. Authentic videos, slideshows and audio texts convey a vibrant picture of life in Germany, Austria and Switzerland. Accompanying worksheets, exercises and tests have been designed to complement your personal study program. The course also includes a grammar chart, a 7,000-word dictionary and a pronunciation guide.

**Interactive and Free!**

Log-in with your own password or as a guest. With your own password, your personalized settings will be saved. You can determine your level by taking the placement test. Good luck! >>

In this unit, you will learn

- how to greet and say good-bye to people,
- how to introduce yourself, how to say your name, where you come from and what you do,
- how to spell your name and address,
- how you say how many languages you speak.

You will also learn

- the days of the week,
- numbers from 1 to 20,
- some names of European countries,
- some facts about Germany, Austria and Switzerland,
- the difference between *Sie* and *du*.

**Grammar Help**

The Online Course Grammar Help is a tool that can help you with your exercises. It contains the most important grammar rules for the Online Course. The Grammar Help features precise explanations and concise examples.

You can call up the corresponding grammar rules directly from the exercise pages. You can also access the entire list of grammar rules from the homepage and select the topic you are interested in. You can find the list of rules on the left side of this page.

Feel free to print the rules you have selected.

Good luck and have fun learning!

If you need to type **UMLAUTE**

You can easily do that here in the course itself by clicking on the small green icons  
 This works without changing anything on the computer.

## CHECK YOUR PROGRESS

In the section **Course plan** you get to where you left off last time – YES the systems saves all your work and lets you continue any time you have **f r e e t i m e** to learn more German.
